## SUMMARY

---

Result – oriented **Undergraduate Student** in Computer Science engineering.

## EDUCATION

---

<b>B.E in Computer Science and Engineering</b>	<b>CGPA – 9.2</b>	<b>Dec 2022*</b>
Visvesvaraya Technological University (VTU), India		
<u>Undergrad Coursework:</u> Python,C,Java ,Html,CSS,Javascript		

## TECHNICAL SKILLS

---

**Programming Languages:** Verilog (Beginner), Python(B), C(B),Html,CSS,Javascript ,SQL  
**Design Tools:** Jupyter Notebook ,VS Code,XAMPP  
**Operating systems:** Windows,Ubuntu

## CERTIFICATIONS

---

- *Received AWS Cloud Computing Certification (Basic) demonstrating foundational knowledge of cloud services, infrastructure, and security.*
- Earned AWS Cloud Practitioner certification, covering core AWS services such as EC2, S3, and RDS, as well as fundamental cloud concepts including architecture, pricing, and security best practices

## ACADEMIC PROJECTS

---

### **Bakery Website Development**

- Developed a fully responsive and user-friendly website for a local bakery to showcase their products, accept online orders, and manage customer inquiries. The website was designed to enhance customer engagement and streamline order processing.
- Designed and implemented a bakery management system with XAMPP, Notepad++, and SQL, automating inventory control, sales reporting, and customer order tracking. Reduced manual data entry by 50% and improved overall operational efficiency

## OTHER ACTIVITIES

---

- Member of Computer Society of India (CSI) which is professional body consisting of Computer Science Students in India
- Volunteered at Hackathon , assisting in event coordination and participant support. Served as a volunteer for Hackathon , where I assisted with organizing logistics, managing participant queries, and ensuring smooth operations throughout the event. Volunteered at Hackathon , supporting 100+ participants by coordinating resources, troubleshooting technical issues, and facilitating a collaborative environment for teams.
- Developed strong problem-solving skills through hobby by overcoming challenges and finding creative solutions .
- Participated in a marathon to raise awareness and support for the fight against cancer. No matter how hard cancer fights, we are stronger. With courage, support, and determination, we stand undefeated.
